How To Develop Accountability – A H.A.B.I.T. OF the HEART

We live in a shallow world. As much as we hate to admit it (hide) and would rather blame others (blame), the reality is that we are part of the problem. The gospel (the good news that we can have a relationship with God through Jesus) is antinode for our problem. Below are several questions to help you think more about where you?

Understanding Our Problem

1. How do you hide?

2. Who do you blame?

Understanding Where You Are Now?

(1) To whom are you accountable?

(2) For what are you accountable?

The Gospel As Our Answer

(1) How does your relationship w/ Jesus give you the confidence to speak the truth (give examples!)?

(2) How does your relationship w/ Jesus give you the courage to accept the truth (give examples!)?

Come next week ready to hear your leaders share more from their own lives about the H.A.B.I.T. of developing accountable relationships as followers of Jesus. Don't miss it!
